Printing Tips

PDF reports can contain many pages depending on the information available on the person. Here are some printing tips.

- Change your printer's color settings to black & white or grayscale to conserve color cartridges
- Switch to "draft" or "other" mode to further save ink
- Your printer may offer the option to increase or decrease the resolution of images
- Change your printer page setting if interested in printing only a specific section. Find the section's corresponding page numbers to limit printing to the desired range of pages.
